

HEALTH CARE CENTER

The right support, right here at Frasier

Long considered one of Boulder's most outstanding skilled nursing communities, Frasier's Health Care Center offers residents attentive, around-the-clock support in an intimate environment right here on campus. So if your needs should ever change, your community won't have to. You can get the level of care you require and still remain in your Frasier home, close to your Frasier friends, enjoying all of the Frasier amenities.

Make yourself comfortable

Here, you'll live in one of two "houses," each designed to inspire a strong sense of close community and each featuring its own:

- Communal dining room and well-stocked kitchen pantry
- Bathing room complete with a walk-in shower and whirlpool
- Community lounge with entertainment center
- Outdoor patio or balcony

All of the residents' rooms in the Health Care Center – which you're urged to furnish, decorate and make your own – are designed with your comfort and privacy in mind. In fact, even shared suites boast a unique, Y-shaped floor plan that allows you and your visitors to leave the room or use the restroom without ever crossing through another's space.

In addition, both private and semi-private rooms feature:

- Large window view of the lovely Frasier grounds
- Security call system
- Flat screen television with basic cable
- Wi-Fi access
- Local phone access
- Housekeeping and laundry services
- Utilities

Your care is constant here

As a resident of the Health Care Center, you'll not only enjoy home-like accommodations, but also receive 24/7 personalized care from a team of registered nurses, licensed practical nurses and certified nursing assistants. This dedicated and compassionate staff works with each resident and his or her family and physicians to develop an individualized plan of care that promotes your quality of life and includes:

- Rehabilitative therapies and exercise programs provided by licensed physical, occupational and speech therapists
- Personalized case management from social workers, including supportive counseling and assistance with the arrangement of any needed ancillary services
- Transportation support to coordinate and arrange rides to appointments
- A variety of social, recreational and therapeutic enrichment events and programs including:
 - Art and music therapy
 - Pet therapy
 - Concerts
 - Cooking groups
 - Gentle, restorative exercise classes
 - Bingo and other games
 - Poetry readings
 - Movies
 - Holiday and theme parties
 - Gardening
 - Intergenerational activities

HEALTH CARE CENTER

Your community, your amenities

Of course, all of the luxuries and activities you love at Frasier are available to you as a Health Care Center resident. What's more, the entire campus is wheelchair accessible and connected internally, so you'll never have to go out into the elements to enjoy the:

- Towne Grille and elegant dining rooms
- Salon and spa
- Aviary
- Enclosed gardens and fountain
- Wellness Center with heated pool
- Book and movie library
- Gift shop
- Computer center
- And so much more!
