

# THE SUMMIT CARE CENTER AT FRASIER

## The right support, right here at Frasier

Long considered one of Boulder's most outstanding skilled nursing communities, The Summit Care Center at Frasier offers residents attentive, around-the-clock support in an intimate environment right here on campus. If your needs should ever change, your community won't have to. You can get the level of care you require and still remain in the Frasier community, close to your Frasier friends, enjoying all of the Frasier amenities.

### Make yourself comfortable

Here, you'll live in one of two "houses," each designed to inspire a strong sense of close community and each featuring it's own:

- Communal dining room and well-stocked kitchen pantry
- Bathing room complete with a walk-in shower and whirlpool
- Community lounge with entertainment center
- Outdoor patio or balcony

All of the residents' rooms at The Summit Care Center – which you're urged to furnish, decorate and make your own – are designed with your comfort and privacy in mind. In fact, even shared suites boast a unique, Y-shaped floor plan that allows you and your visitors to leave the room or use the restroom without ever crossing through another's space.

In addition, both private and semi-private rooms feature:

- Call system
- Flat screen television with basic cable
- Housekeeping and laundry services
- Large window views of the lovely Frasier grounds
- Local phone access
- Utilities
- Wi-Fi access

### Your care is constant here

As a resident of The Summit Care Center, you'll not only enjoy home-like accommodations, but also receive 24/7 personalized care from a team of registered nurses, licensed practical nurses and certified nursing assistants. This dedicated and compassionate staff works with each resident and his or her family and physicians to develop an individualized plan of care that promotes quality of life and includes:

- Rehabilitative therapies and exercise programs provided by licensed physical, occupational and speech therapists
- Personalized care management from social workers, including supportive counseling and assistance with the arrangement of any needed ancillary services
- Transportation support to coordinate and arrange rides to appointments
- A variety of social, recreational and therapeutic enrichment events and programs including:
  - Art and music therapy
  - Bingo and other games
  - Concerts
  - Cooking groups
  - Gardening
  - Gentle, restorative exercise classes
  - Holiday and theme parties
  - Intergenerational activities
  - Movies
  - Pet therapy
  - Poetry readings
